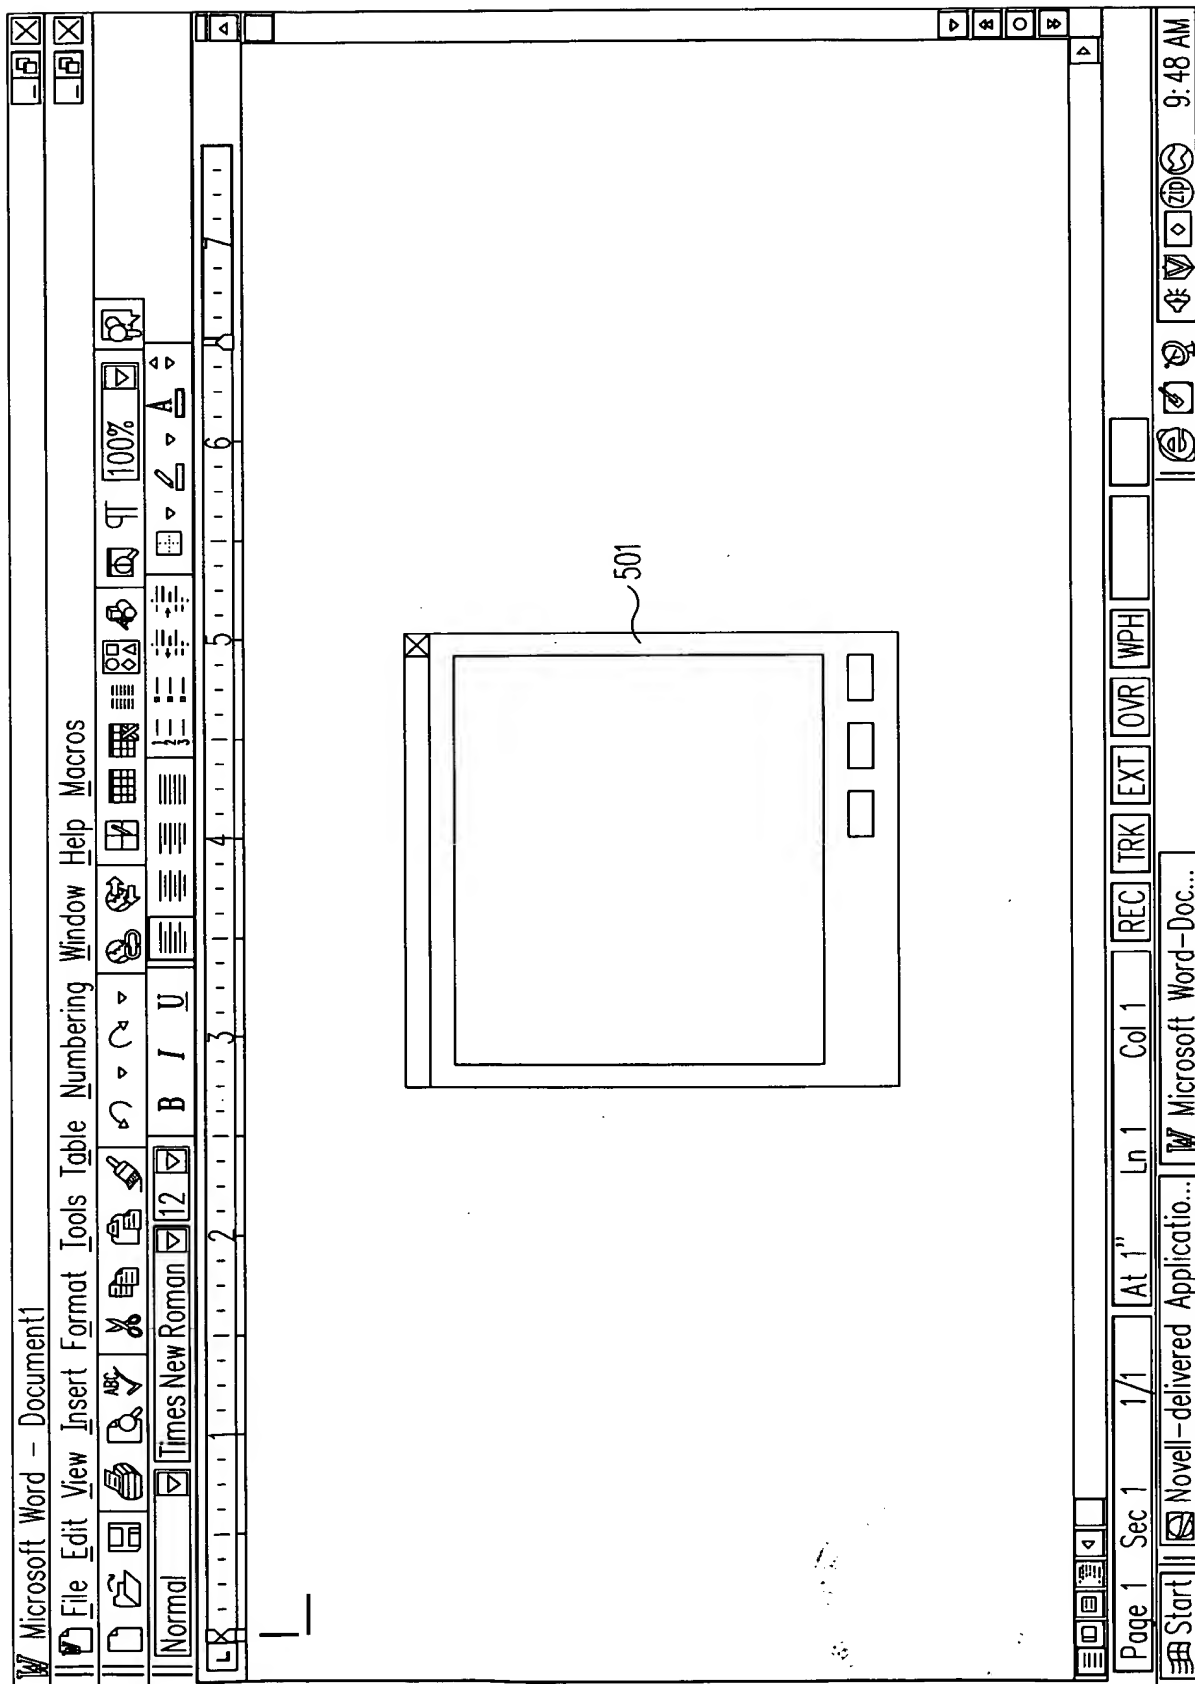

FIG. 5A

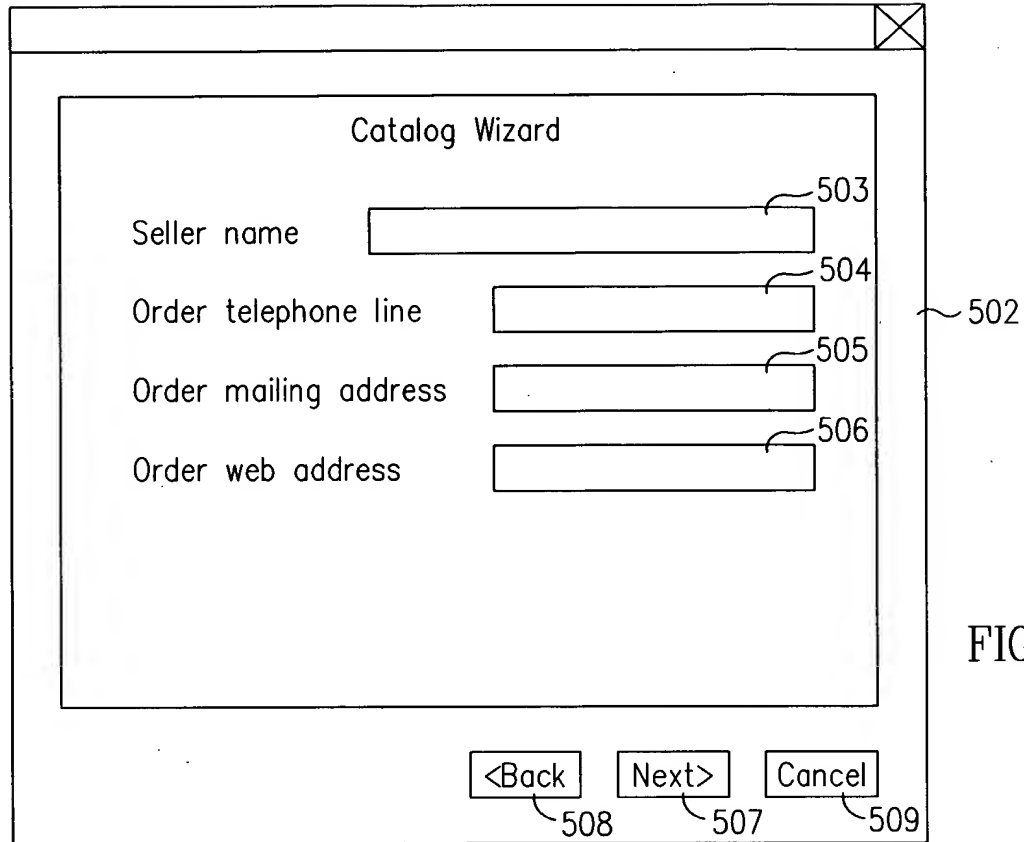

FIG. 5B is a screenshot of a "Catalog Wizard" dialog box. The dialog box has a title bar with a close button (X) in the top right corner. The main content area is titled "Catalog Wizard" and contains four input fields, each with a label to its left: "Seller name" (503), "Order telephone line" (504), "Order mailing address" (505), and "Order web address" (506). The entire input area is enclosed in a rectangular frame labeled 502. At the bottom of the dialog box, there are three buttons: "<Back" (508), "Next>" (507), and "Cancel" (509).

FIG. 5B

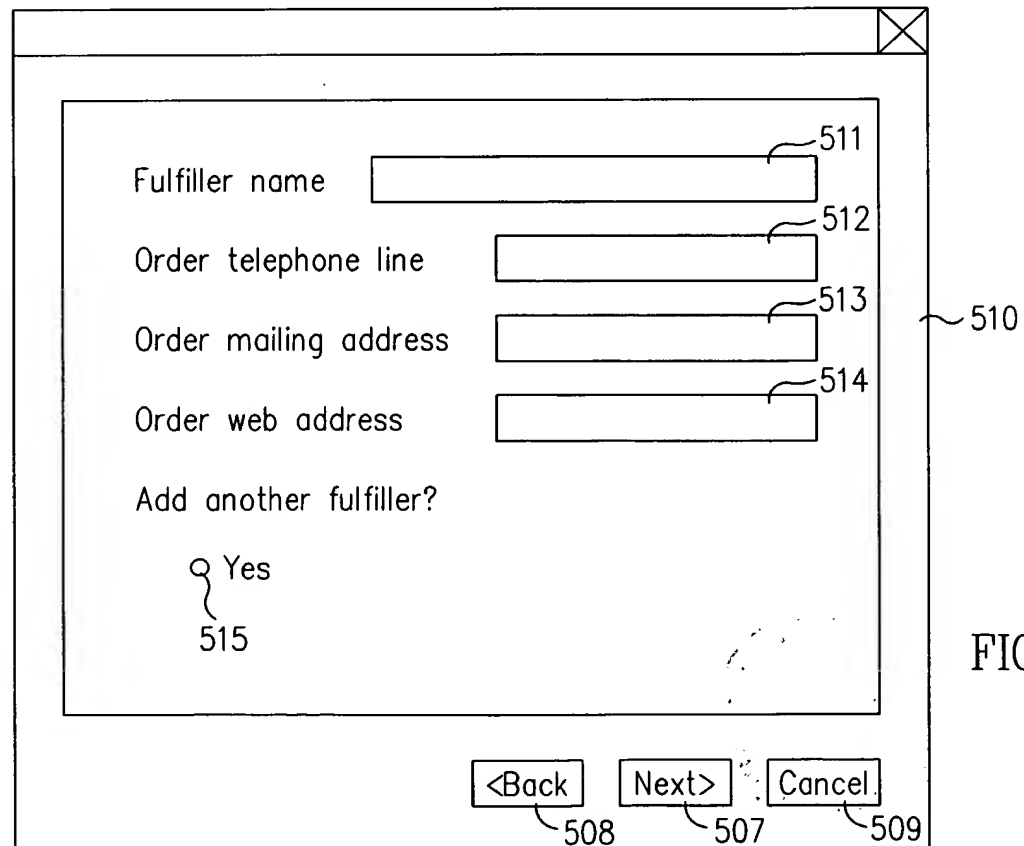

FIG. 5C is a screenshot of a "Fulfiller Wizard" dialog box. The dialog box has a title bar with a close button (X) in the top right corner. The main content area contains four input fields, each with a label to its left: "Fulfiller name" (511), "Order telephone line" (512), "Order mailing address" (513), and "Order web address" (514). Below these fields is a question "Add another fulfiller?" followed by a radio button labeled "Yes" (515). The entire input area is enclosed in a rectangular frame labeled 510. At the bottom of the dialog box, there are three buttons: "<Back" (508), "Next>" (507), and "Cancel" (509).

FIG. 5J is a screenshot of a software dialog box titled "Business Rules". The dialog box has a standard Windows-style title bar with a close button (X) in the top right corner. Inside the dialog, the text "Cross-promotion" is displayed. Below it, there is a label "Stock/UPC number" followed by a text input field, which is labeled with reference numeral 553. Further down, there is a label "Number of required purchases" followed by a spin box control, labeled with reference numeral 555. Below that, there is a label "Discount %" followed by another spin box control, labeled with reference numeral 556. At the bottom of the dialog box, there are three buttons: "<Back" (labeled 508), "Next>" (labeled 507), and "Cancel" (labeled 509). A bracket on the right side of the dialog box is labeled with reference numeral 552.

FIG. 5J

FIG. 5K is a screenshot of a software dialog box titled "Business Rules". The dialog box has a standard Windows-style title bar with a close button (X) in the top right corner. Inside the dialog, the text "Personal" is displayed. Below it, there is a label "Attribute category" followed by a dropdown menu, labeled with reference numeral 558. Below that, there is a label "Attribute subcategory" followed by another dropdown menu, labeled with reference numeral 559. Below that, there is a label "Discount %" followed by a spin box control, labeled with reference numeral 560. At the bottom of the dialog box, there are three buttons: "<Back" (labeled 508), "Next>" (labeled 507), and "Cancel" (labeled 509). A bracket on the right side of the dialog box is labeled with reference numeral 557.

FIG. 5K

FIG. 5L is a screenshot of a software dialog box titled "Business Rules". The dialog box has a standard Windows-style title bar with a close button (X) in the top right corner. Inside the dialog, there is a section labeled "Regional" with a reference number 562. Below this label are five input fields, each with a dropdown arrow on the right. The fields are labeled "Region", "State", "County", "City", and "Discount %". The "State" field has a reference number 563 pointing to its dropdown arrow, and the "County" field has a reference number 564 pointing to its dropdown arrow. The "City" field has a reference number 565 pointing to its dropdown arrow, and the "Discount %" field has a reference number 566 pointing to its dropdown arrow. At the bottom of the dialog box, there are three buttons: "<Back" (508), "Next>" (507), and "Cancel" (509). A reference number 561 points to the main content area of the dialog box.

FIG. 5L

FIG. 5M is a screenshot of a software dialog box titled "Business Rules". The dialog box has a standard Windows-style title bar with a close button (X) in the top right corner. Inside the dialog, there is a section labeled "Duration" with a reference number 568. Below this label are three input fields, each with a dropdown arrow on the right. The fields are labeled "Start", "End", and "Discount %". The "Start" field has a reference number 569 pointing to its dropdown arrow, and the "End" field has a reference number 570 pointing to its dropdown arrow. The "Discount %" field has a reference number 569 pointing to its dropdown arrow. At the bottom of the dialog box, there are three buttons: "<Back" (508), "Next>" (507), and "Cancel" (509). A reference number 567 points to the main content area of the dialog box.
